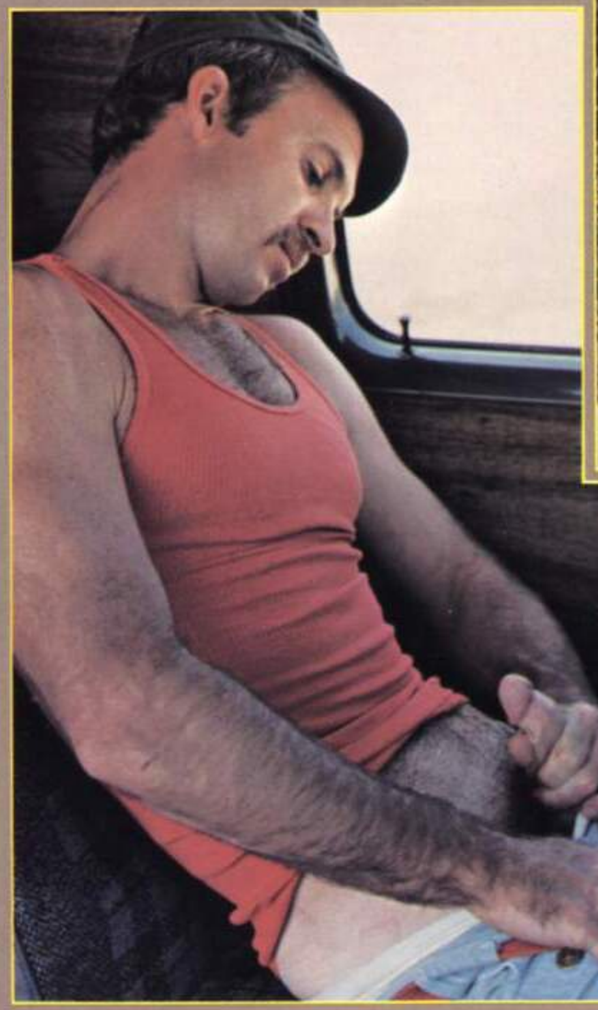
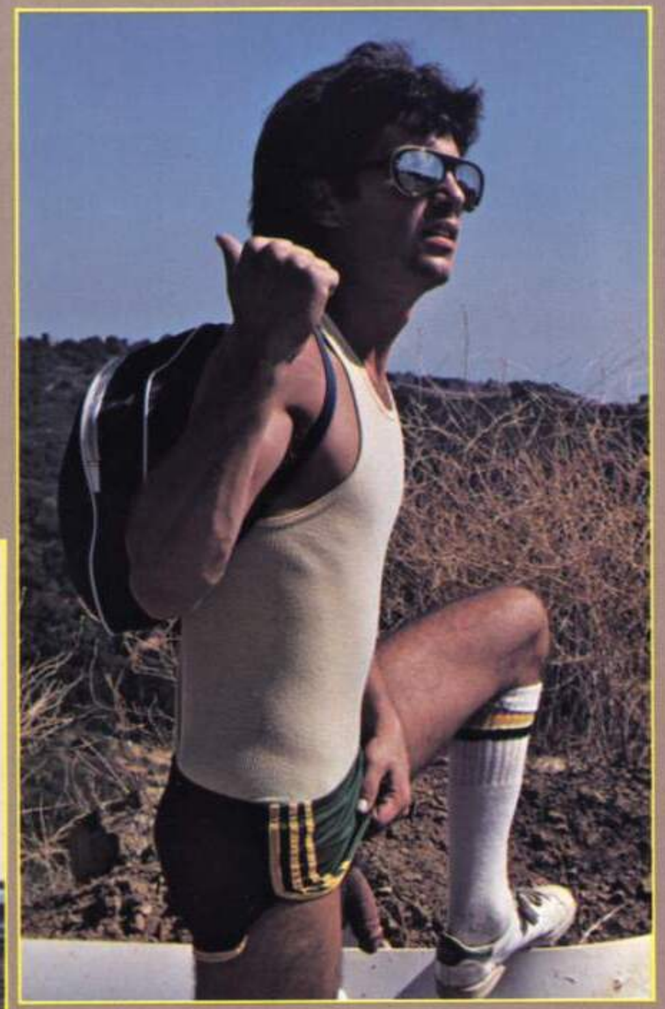
TONY

Tony hikes in the canyon until his body throbs with vitality. The sun beats down on his darkly-tanned flesh, while another kind of heat rises to his head like a fever. His muscles are taut and well-toned: he feels them ripple as he hikes. The awareness of his strength and manhood compel him to the highway where there are other men drifting on foot or in vehicles. His cock throbs as his hand slides easily and steadily along the shaft, signaling his burning desire for manly contact and camaraderie. Along comes Spike . . .





SPIKE

Having cruised this highway before, Spike knows what erotic urges the heat can bring about in a man; the sun's rays penetrating to the very marrow of his bones, leaving muscles tense and blood pumping fast. Only free of his pants can the blood surge through his erect penis, all nerves throbbing in response to his fiery desire for the feel of flesh on flesh. When he sees Tony hitchhiking, Spike knows that his desires will be fulfilled. They set out for an afternoon of mutual physical exploration and adventure.
